The JWU College of Online Education (COE) is a division of Johnson & Wales University. Established in 2013 and located at the Providence Campus, the college offers a broad range of online programs which provide increased access and flexibility for students. The college also allows JWU to reach and serve entirely new groups of students across the U.S. and around the globe. In addition to our online programs, employees are able to enroll in continuing education and graduate programs at our campuses in Providence, Denver and North Miami. JWU strives to deliver strategically selected university academic programs in a high-quality online format to working adult professionals.
