

Welcome Nicholas Medeiros!

Nick is coming over to the CorpEd team from our admissions department. Nick has 5 years of experience with assisting working adult learners here at JWU.

Nick will focus on building new partnerships, deepen relationships with existing partners, and collaborate with internal teams on behalf of your employees to ensure their educational experience is one they will not forget!

JWUpro is HERE!

JWUpro, a brand new 100% online non-credit professional training division that offers custom corporate training programs to organizations seeking to adapt to the ever-changing needs of today's workforce. Through our wide variety of assets, course content, and faculty expertise, we work together with your company to design a training program tailored to achieve the organizational goals you desire.

We can build the training with you or for you.
